

No woman no cry : V. FORD (1974)

No woman, no cry. (*4)

Say I remember when we used to sit
In the government yard in trenchtown
Obba-obba-serving all the hypocrites
As they would mingle with the good people we meet
Good friends we had good friends we lost
Along the way
In this great future you can't forget you past
So dry your tears I say

No woman, no cry. (bis)

Here Little darlin', don't shed no tears,
No woman, no cry.

Say I remember when we used to sit
In the government yard in trenchtown
And Georgy would make a firelight
As it was love would burn in through the night.
Then we would cook cornmeal porridge
Of which I'll share with you
My feet is my only carriage
So I've got to push on through But while I'm gone

Everything's gonna be all right (*4)

No woman no cry (bis)

Oh my little sister don't shed no tears
No woman no cry.
